

Everybody Attending the Brethren Conference is invited to call at Parrot's Art Studio on South Buffalo St., Warsaw.

Mr. Parrot is the official photographer of the park the cut of the auditorium and other views in this issue being from his work. A book containing the most attractive scenes of "Beautiful Winona" will be on sale at the gallery on the park grounds just north of the auditorium.

Mr. Parrot has twice in succession won the silver medal at the State Photographer's Association at Indianapolis and has a collection of fine art such as is seldom seen outside of large cities.

The combination child pictures are especially fine. Anyone desiring to rent a hand camera or to have unusually fine work done or merely to spend a profitable half hour viewing the exhibition will be most courteously treated and will be well repaid for the visit.

### A Genuine Testimonial from a Reliable Citizen.

Taken from the Ashland, O., Press.

SAMUEL D. MCKEAN.

One of the oldest and best known citizens of Ashland county is Mr. Samuel D. McKean who for fifteen years has been a sufferer from kidney trouble and rheumatism, and he expresses his appreciation for the relief he found in the Briggs Kidney Pills as follows: "I am 64 years old and during my life have done a great deal of hard work and in the latter fifteen years have declined in health to the extent that often times I was unable to set up to my meals, much less do any kind of labor. I read all the advertisements and searched for relief in the many guaranteed patent medicines (some of which gave temporary relief.) I was under the treatment of a physician many times but this also proved only of transitory benefit. Not finding relief in this I was confined to my home until about two months ago, I went over town for the first time in three weeks, and secured a box of The Briggs Kidney Pills and began using them, and can truly say if it had not been for this pill I would have been in bed yet. I am now able to work and have not had a particle of pain since, and I don't know what to do without it. I cheerfully testify to the good I have received from this pill and recommend it to all sufferers from rheumatism and kidney trouble."

Physicians' Skill and Experience Failed.—A Sufferer for Three Years Entirely Cured.

MRS. W. B. ARNDT.

SULLIVAN, OHIO, January 30, 1897.

For three years I was subject to fainting spells which brought on nervous prostration; life was a burden to me; the advice of my friends was of no avail. I doctored with different physicians and all of them failed to benefit me. I thought at times I would like to die, as it looked to me that I could not live long at the best.

Finally, by the advice of a friend and neighbor I was induced to take Briggs Kidney Pills, and they have cured me and I am entirely well and able to do all my work again. Since then I have recommended them to many—they knowing my condition, and in all cases they have benefitted them. I wish to express my thanks.

Briggs Kidney Pills are sold by Druggists, or write Briggs Medicine Co., Ashland, Ohio.
